JOIN US
FOR A SUMMER OF FUN AND LEARNING!!

Summer isn't just for older children we offer great childcare and exciting summer fun for toddlers and 2 years olds can learn and grow all summer long with fun-themed activities and special guests.

******* Music and Movement*******

Each day we'll move and groove to the music. Movement in children helps increase memory, perception, language, attention, emotional, and decision making. It is so important that all young children are physically active every day.

******* Arts and Crafts*******

Our arts and crafts room will be overflowing with projects. Arts and crafts activities give a sense of achievement and allow them to take pride in their work which builds confidence.

******* Outside play and water play *******

Outdoor play also enables your child to enjoy the natural environment and learn to seek exercise, fresh air, and activity. Water play will help develop and strengthen your child's gross and fine motor skills.

******* Circle Time*******

Every day your child will have circle time it's a great way for your children to get a sense of community with other kids their age and enhance their social skills and improve their attention span.
