COVID-19 Policies

We don't require masks, but we will reinforce if you want your child to wear masks indoors and outdoors.

We cannot accept participants showing signs or symptoms of the COVID-19 virus.

You must be willing to allow Ark Row Kids staff to take temperature checks of youth participants if necessary.

Those considered at high risk of COVID-19 complications due to underlying health conditions should seriously consider participating in a program before registering. Consulting your doctor before registering a high-risk participant is recommended. High-risk participants are those with chronic lung disease, asthma, heart conditions, immunocompromised, obese, diabetic, or any form of liver or kidney disease.

We cannot guarantee that staff or participants will not contract or not be exposed to the COVID-19 virus.

FEVER FREE:

If your child has a fever, they cannot come to camp, and we need you to contact your doctor about getting a Covid test to clarify that is not the underlying issue. If Covid free, then your child must be fever free 24 hours before returning to camp.

FOOD PROGRAM:

Parents will send in all lunch and snacks, so fewer points of contact due to Covid.
